

Merged headers and a continuing table

1. Compare the measurements of Trial A and Trial B.

The table continues on the next page.

Period	Trial A		Trial B	
	Start	End	Start	End
Morning	11	12	21	22

Merged headers and a continuing table

Continuation of question 1 (not a new question).

The following rows complete the table on page 1.

Period	Trial A		Trial B	
	Start	End	Start	End
Afternoon	31	32	41	42

Answer: Trial B is larger in both periods.

Analysis: Compare 11/12 with 21/22, and 31/32 with 41/42.
